# About US

Asset Swap Fx- is a company registered in the UK since 2017. Our goal is to offer each person the optimal solution for multiplying your capital with minimal risk for the investor. Asset Swap Fx are not affiliated with any other organization and is not an associated company or Department.

Our team of professional financial specialists who contribute to the efficient and rapid assessment of the current financial market. This gives the opportunity for our specialists to achieve significant success, and the company has decided to submit its product to a wide range of investors. This decision gives impetus to the continuous development of the company, which is steadily to raise capital for their investors. The objective of our investment Fund is to ensure regular gains to private investors with minimal risk. The Fund is mainly involved in trading on the Cryptocurrency markets. Every transaction conducted by our traders constant profit.

We have combined in a single process the monitoring of tendencies of rates change, the adaptive analysis of the cryptocurrency assets liquidity a programme way of the speculative commercial deals performing with the cryptocurrency pair of BTC/BCC. For this purpose we use the high-speed selective algorithms of high-frequency trading and the smart-program for acceleration of data exchange with the cryptocurrency exchanges. Each element of our strategy precisely and effectively does its job, combining in the single faultless mechanism of the high profit obtaining.

We guarantee our Return On Investments in our great company including our real estate because we carryout comprehensive evaluation of an individual's deposit, current pay and future financial states by using current known variables to predict future income, assets values and withdrawal plans.

# What we offer

## Trading

Our goal is to provide one of the deepest and widest liquidity pools in the crypto market. We strive to accomplish this by aggregating liquidity from multiple connected venues like exchanges.

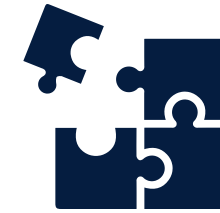

## Investment
